Dear Majority Leader McConnell, Minority Leader Schumer, Majority Whip Cornyn, and
Minority Whip Durbin:

The undersigned organizations, which represent millions of sportsmen and women-
conservationists and wildlife professionals throughout America, are writing to express our
support for an end of the year “Sportsmen’s Package” containing legislation important to our
community.

Conserving our nation’s fish and wildlife and expanding hunting and fishing access are endless
tasks that continually present new challenges. Congress has a historic opportunity to enact
legislation this year that will create access and opportunities for hunters, anglers and recreational
shooters for generations to come.

We strongly support the current version of a proposed “Sportsmen’s Package” which, among
other things, would: create additional hunting, fishing, and recreational shooting opportunities
while also conserving and maintaining wildlife habitat and fisheries.

To that end, we respectfully urge you to work on a bipartisan and bicameral basis to enact a
sportsmen’s package of legislation this year.

Thank you for your continued service on behalf of America’s sportsmen and women, and our
nation’s fish and wildlife resources.

Sincerely,
