## Smith & Wesson Model 629 .44 Magnum Hunter

This firearm has all the bells and whistles you would expect from Smith & Wesson's Performance Center, such as a custom-tuned action, for which the Performance Center is well-known. The .44 magnum handgun, with a capacity of 6 rounds, is constructed from all stainless steel and has a two-tone finish that sets it apart from the standard products. The barrel has a few unique options like the dove-tailed front sight, integrated Picatinny rail, and of course the custom muzzle brake. The best feature of all is the red/green dot optical sight that ships with this ultimate hunting handgun. This pistol has a purpose of recreational handgun hunting and home protection.

CSF's 25<sup>th</sup> Anniversary logo is engraved on the pistol. One of only eight pistols made.

### **Browning X-bolt 300WSM and Nikon Monarch 3 2.5-10x42 Riflescope**

When you need a hard-working, rugged and accurate high-powered rifle, the Browning X-Bolt Hunter is the only choice. Its low-luster finish on the solid steel receiver, barrel and walnut stock prevents glare and reflection. It has the complete X-Bolt package: crisp Feather Trigger with no take-up or creep that is preferred by experienced hunters, a center-fed rotary magazine, X-LockSystem and a soft Inflex recoil pad — every feature combines to make this X-Bolt rifle ideal for the discerning sportsman or woman. A bolt unlock button works with the top tang safety to enhance safety while unloading, and attached scope bases ensure optics stability.

The Nikon Monarch 3 2.5-10x rifle scope is a mid-sized masterpiece, with the perfect magnification range to encompass almost any hunting or shooting scenario. From Midwest Whitetails, to Alaskan Bear, the Monarch 3's Ultra ClearCoat optical system will offer superior clarity and unmatched light transmission. The rugged 1-piece tube is 100% weatherproof, and features zero resettable 1/4 MOA windage and elevation turrets.

### Fausti DEA Side-by-Side Shotgun – 28 Gauge

Since 1948, Fausti has been manufacturing hunting and competition shotguns with great care and passion, combining century old traditions with modern technology. Fausti shotguns are designed to meet the specific needs of demanding hunters and shooters, and this Dea-Fl Side-by-Side is sure to meet them.

This side-by-side, English-stocked 28-gauge Dea is a true 28-gauge-sized frame measuring a mere 1.75 inches across the bolsters, with a petite action only 1.83-inches high at its tallest. The Dea, which is Italian for goddess, points extremely well and is a joy to shoot. The little boxlock is styled and stocked after traditional English game guns and weighs less than 5 pounds. The barrels are blued and the stock is made of Oil-finished AAA European walnut. The Dea's receiver is based on the classic Anson & Deeley action, and its barrels are assembled on the monobloc principle in which the barrel tubes are soldered into a breech section containing the locking lumps.

## 9 Eight Person, One Week, Oceanside Villa Rental at Moonshadow - Turks and Caicos Islands

While sitting poolside, you can see the ocean meeting the white sands of Sapodilla Bay. You can watch luxury sailboats and yachts approach a peaceful anchorage, while distant commercial ships make their way to the harbor at South Dock. Or, relax in the loft on the other side of the house and see pale turquoise waters gently lapping the white sandy beach at nearby Taylor Bay, with the vivid colorful waters of Chalk Sound visible in the distance. Enjoy great views from any of the open decks, covered decks, or on the screened porch while having cocktails or a memorable meal.

The interior of this villa is open and spacious with cathedral beamed ceilings in each room, an en-suite bathroom for four of the five bedrooms, a fully equipped kitchen with dishwasher, microwave, self-cleaning oven and more. Additionally, Moonshadow has cable TV, high-speed Internet access, stereo for CD's and MP3 players, washer and dryer, as well as other amenities.

Following Hurricane Ike in 2008, the dock at Moonshadow was rebuilt and is now a beautiful two story dock down to the ocean with stairs down to the water. There is a small amount of coral right off of the dock for you to snorkel around. If you swim around the cliff to the right you will find yourself at Taylor Bay Beach.

Included: Seven days lodging at a luxury villa.

Not included: Transportation and meals.

Time frame of trip: May 1 - October 31, 2015. Dates to be mutually agreed upon.

## 12 Carl Zeiss Sports Optics Package

Regarded as one of the best optics manufacturers in the world, Carl Zeiss Sports Optics put the ultimate optics package together for your next adventure.

### **Riflescope: Victory HT 3-12x56**

The largest of the VICTORY HT line, the 3-12x56 model makes targets visible in last shootable light, when conventional optics fail. With the advanced HT glass, high-performance 56mm objective lens, the super-fine illuminated dot and ASV+ turret option makes this scope deadly accurate at any distance, in any light.

### **Binoculars: Victory HT 10x42**

The Victory HT 10x42 is the benchmark for long-distance observation. It offers the finest detail and maximum brightness, deep into the twilight. The 10x magnification is easy to control with precision, thanks to the ergonomic design of the Comfort-Focus-Concept, which places the large focusing wheel in the new Double-Link-Bridge.

### **Spotting Scope: Victory Diascope 85 T\* FL Angled with Vario Eyepiece 15-45x/20-60x**

With a large 85 mm objective lens and maximum light capability, this is the ideal scope for sophisticated game observers. It is at its most impressive in challenging light conditions, and delivers bright images, clear colors and maximum magnification even in deep twilight. The Dual Speed Focus (DSF) combines two focusing speeds into a single knob. The FL concept with high performance fluoride glass ensures full optical brilliance and brings the finest details in nature to new life.
