

GOVERNOR DOUGLAS A. DUCEY

STATE OF ARIZONA

PROCLAMATION

WHEREAS, Arizona has a rich and storied tradition of hunting and angling, that dates back further than the State itself and carries forward to this day; and

WHEREAS, hunting and angling continue to be an integral component of the cultural fabric of communities throughout the State, and over recent years have offered a growing number of participants an opportunity to connect with nature on a personal level, while simultaneously providing food security, a sense of self-sufficiency, and both mental and physical health benefits; and

WHEREAS, Arizona's sportsmen and women were among the first conservationists to support the establishment of the Arizona Game and Fish Department to conserve fish, wildlife, and their habitat, and through their license fees helped fund state efforts to provide for healthy and sustainable natural resources; and

WHEREAS, upon realizing that license fees alone were insufficient to restore and sustain healthy fish and wildlife populations, sportsmen and women supported self-imposed excise taxes on firearms and ammunition, fishing tackle and motorboat fuels to raise additional conservation funds; and

WHEREAS, to this day, the Arizona Game and Fish Department operates without state General Fund tax dollars and with 69 percent of its budget provided by sportsmen and women, through this American System of Conservation Funding - a "user pays - public benefits" approach that is widely recognized as the most successful model for funding fish and wildlife management in the world; and

WHEREAS, last year alone, Arizona's sportsmen and women generated over \$60 million through this system to support the conservation efforts of the Arizona Game and Fish Department; and

WHEREAS, approximately 600,000 hunters and anglers support the State's economy through their spending, contributing to the \$7.6 billion spent on outdoor activities in Arizona last year; and

WHEREAS, according to 2021 data from the Bureau of Economic Analysis, on the national level, sportsmen and women spent more than \$39 billion on hunting, fishing, and recreational shooting, which does not include spending on items such as trips and travel, or license fees that were necessary for their participation. This spending helped fuel the outdoor economy, which comprised 2.1 percent of Arizona's gross domestic product that year; and

WHEREAS, National Hunting and Fishing Day was established in 1972 to celebrate and recognize hunters and anglers for their immense contributions to fish and wildlife conservation, and to our society, recognizing the many and varied social, cultural, economic, and ecological benefits of our time-honored traditions.

NOW, THEREFORE, I, Douglas A. Ducey, Governor of the State of Arizona, do hereby proclaim September 24, 2022 as

HUNTING AND FISHING DAY
