

Florida sportsmen

2 million hunters & anglers spending \$13 million a day

TOTAL SPENDING \$4.8 billion

Casting benefits throughout the economy.

- Sportsmen support more jobs in Florida than Disney World (85,000 jobs vs. 61,000).
- Annual spending by Florida sportsmen is more than twice the revenues of Miami-based Burger King (\$4.8 billion vs. \$2.05 billion).
- Annual spending by Florida anglers is three times greater than the cash receipts from the state's orange crop (\$4.4 billion vs. 1.2 billion).
- Florida sportsmen spend \$1.1 billion annually on outboard boats and engines to get them onto the water and around the marshes for fishing and hunting.
- More Florida residents fish and hunt each year than attend Miami Dolphins, Tampa Bay Buccaneers and Jacksonville Jaguars games (2 million vs. 1.6 million).

Lots of bang. Even more bucks.

If the \$76 billion that sportsmen spend on hunting and fishing were the Gross Domestic Product of a country, sportsmen as a nation would rank 57 out of 181 countries.

The majority of all sportsmen consider themselves "likely voters" and 8 in 10 say that a candidate's position on sportsmen's issues is important in determining for whom they will vote.

If all hunters and anglers living in Florida voted in the 2004 presidential election, they would have equaled 36% of the entire vote.

1 out of 7 residents hunt or fish.
