

# Nevada sportsmen

182,000 hunters & anglers spending \$1.1 million a day

TOTAL SPENDING \$417 million

Casting benefits throughout the economy.

- Sportsmen support as many jobs in Nevada as the Las Vegas Metropolitan Police (5,000 jobs).
- Annual spending by Nevada sportsmen is more than the revenues of Henderson-based Zappos.com, one of the fastest growing companies in the state (\$417 million vs. \$381 million).
- Nevada sportsmen annually spend more than the cash receipts from cattle, hay, dairy, onions and potatoes, the state's top five agricultural commodities (\$417 million vs. \$406 million).
- More people hunt and fish in Nevada than get married in Las Vegas (182,000 vs. 110,000).

Lots of bang. Even more bucks.

If the \$76 billion that sportsmen spend on hunting and fishing were the Gross Domestic Product of a country, sportsmen as a nation would rank 57 out of 181 countries.

The majority of all sportsmen consider themselves "likely voters" and 8 in 10 say that a candidate's position on sportsmen's issues is important in determining for whom they will vote.

If all hunters and anglers living in Nevada voted in the 2004 presidential election, they would have equaled 29% of the entire vote.

1 out of 10 residents hunt or fish.

\*A respondent who is both a hunter and an angler is counted in each category, but only once for total participation numbers.

\*\*Money spent on an item for both hunting and fishing is only counted for in the total spending category.
