

CONGRESSIONAL SPORTSMEN'S FOUNDATION

23RD ANNUAL NASC SUMMIT

The NASC Sportsman-Legislator Summit is the premier legislative event of the year that brings together sportsmen's caucus members, NGO representatives, key staff from state and federal fish and wildlife agencies, the outdoor industry, and other conservation policy professionals for three days of educational programming, networking, and planning, to ensure the interests of sportsmen and women are protected in state capitols throughout the nation.

The multi-day event provides a venue for state legislators to discuss policy issues and share information relevant to our time-honored sportsmen's heritage. Additionally, the NASC Summit provides an opportunity to celebrate past achievements, develop a vision for future successes, and highlight the contributions of sportsmen and women to conservation.

The NASC Sportsman-Legislator Summit attracts all segments of the sportsmen's community and provides a unique opportunity for the 300+ attendees to interact and learn with:

- State legislators from around the nation
- Outdoor industry partners and conservation excise taxpayers
- State fish and wildlife agency leaders
- Federal natural resource agency personnel
- Conservation NGOs
- Academia
- Sportsmen's community allies
