

CONGRESSIONAL SPORTSMEN'S CAUCUS MEMBERSHIP

119TH CONGRESS

Founded in 1989, the bipartisan Congressional Sportsmen's Caucus (CSC) has grown into one of the largest and most effective caucuses in the US Congress with more than 225 members representing almost all 50 states.

With bipartisan leadership in both the House and the Senate, the CSC is the sportsmen's ally in Washington, protecting and advancing hunting, angling, recreational shooting, and trapping. CSF works with the CSC by providing advice, support and information on behalf of the sportsmen's community to CSC members. This unique relationship gives the CSF a unique niche on Capitol Hill that is unparalleled by any other sportsmen's organization.
