2026 NASC EC

Established in 2004, the National Assembly of Sportsmen's Caucuses (NASC) currently boasts nearly 2,250 state legislators who are members of individual state legislative sportsmen's caucuses in all 50 states

The Executive Council plays a critical role in the protection and advancement of our time-honored sporting traditions by establishing the activities of NASC, developing issue briefs, and setting guidelines for affiliated state caucuses.
